

ULSTER COUNTY

CERTIFICATE OF RESIDENCE INFORMATION SHEET

Residents of Ulster County who attend New York State community colleges on a full or part time basis (on-campus or on-line) outside of Ulster County may apply for a Certificate of Residence to obtain resident tuition rates. Please be sure to read and follow the instructions provided below and contact the Ulster County Finance Department, if you have further questions.

To obtain a Certificate of Residence a student must:

1. Qualify as a resident of New York State and Ulster County
2. Provide proof that he/she is a resident of New York State and Ulster County
3. Complete and submit an Application and Affidavit for Certificate of Residence to the Ulster County Finance Department with copies of proof of residence.

To qualify as a resident of New York State and Ulster County a student must be:

- A United States citizen, naturalized citizen, permanent resident alien or other eligible non-immigrant.
- A New York State resident for one full year prior to the date of your application.
- An Ulster County resident for at least six (6) months immediately prior to the date of your application. For periods of residence less than 6 months you may receive a partial Certificate of Residence from Ulster County and apply for a partial Certificate of Residence from another county or counties.

OR

- A full time, active duty member of the US Armed Forces stationed in New York State or a spouse or dependent of one. Military personnel must submit copies of their PCS orders with ID card and DD214 and proof of Ulster County residency.
- A dependent of a parent or legal guardian who is a full time active member of the US Armed Forces stationed out-of-state provided the parent or legal guardian submits proof of New York State residency and county residency referred to as a "Home of Record".

Please note, students do not meet the qualifications if:

- They are financially dependent and their custodial parent(s) live in a state other than New York.
- They are a temporary resident of Ulster County and are residing in Ulster County to primarily attend college. Students should obtain a certificate of residence from their home county.

Students who believe they meet the qualifications as specified above, must provide satisfactory evidence of these qualifications to the Ulster County Finance Department. Certificates of Residence will not be issued if an application is not complete and does not include satisfactory proof of residence.

Proof of Residence for Citizens of the United States

Different forms of evidence can be combined to identify the student, their residential street address (a post office box mailing address is not acceptable), and the length of time they resided in New York State and Ulster County. **One of the forms of evidence must always be a picture ID.** However, other forms of proof may be accepted as long as they provide evidence that you qualify as a resident. Illegible forms of evidence will not be accepted. The following are examples of acceptable proof of residence that may be combined to meet the residency qualifications:

- United States Passport
- Valid NYS Driver's License
- Learner's Permit or NYS Non-Driver Identification Card
- School Picture Identification Card
- Federal or State Tax Returns
- For students just graduating from high school – a copy of your high school transcript that has your name, and residential address – or your junior year and senior year high school report cards that were mailed to your parents.
- Ulster County Property or School Tax Bill paid for previous year and current year. Must provide additional evidence to confirm you reside at the property.
- Auto registration, auto insurance policy for one year previous and current coverage
- Utility Bill or Telephone Bill
- Past year and current school year tuition/registration forms

Proof of Residence for Non-Citizens

Students claiming to be immigrant aliens must present proof of their status providing a valid Alien Registration Receipt Card (green card). Once a student's immigrant status has been verified, this student must then demonstrate Ulster County and New York State residency by presenting the appropriate evidence described above. Non-immigrants are grouped in categories depending on the type of visa presented at the port of entry. Non-immigrants admitted to the United States in categories that prohibit them from establishing a United States residence are not eligible for resident tuition. Pursuant to the Federal Immigration and Nationality Act, an undocumented alien cannot be charged a lower rate of tuition than an out of state student who is a citizen of the United States.
